

MAINE BACKYARD CAMPOUT JULY 11TH 2020

Camp out in your own yard!

Maine Parks and Recreation Association is teaming up with local Parks and Rec Programs to offer a backyard campout event. Register for the event online at <http://www.winslow-me.gov/departments/parksrecreation/> First 10 families will receive a goodie bag to enjoy at their backyard campout. Over the next several weeks we will be posting ideas to make your night a fun successful event for everyone. MRPA will be collecting pictures from across the state of families camping out and creating a slideshow for their website. No Backyard? No Problem! Camping can be as simple as a blanket fort and the whole family sleeping in the living room.
